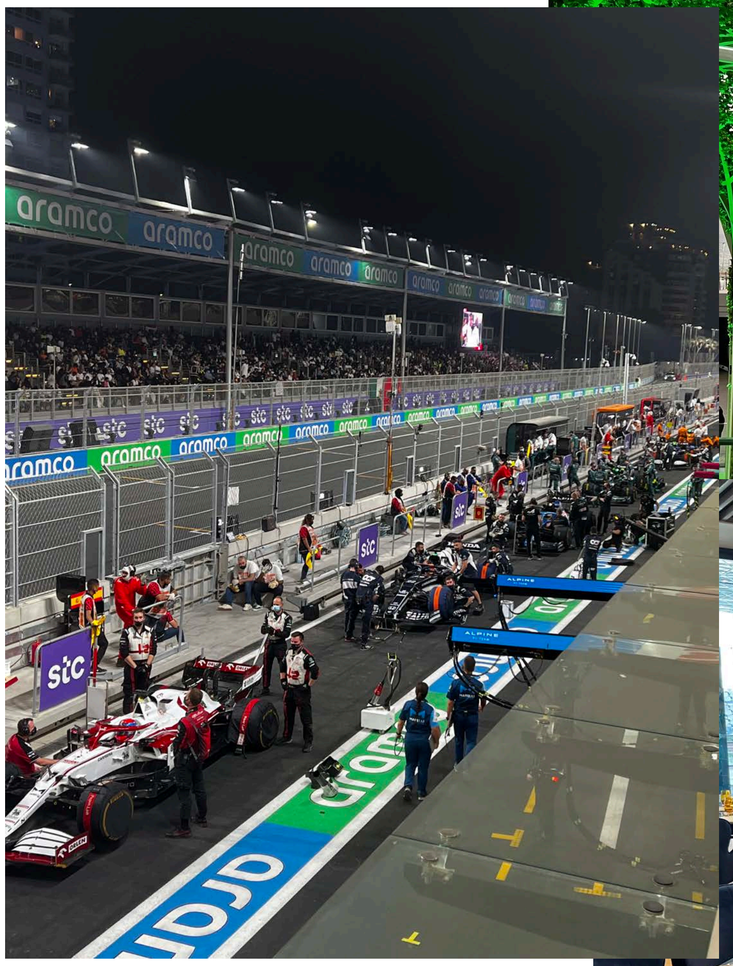
A BREAKDOWN OF A GRAND PRIX WEEKEND AT PADDOCK CLUB

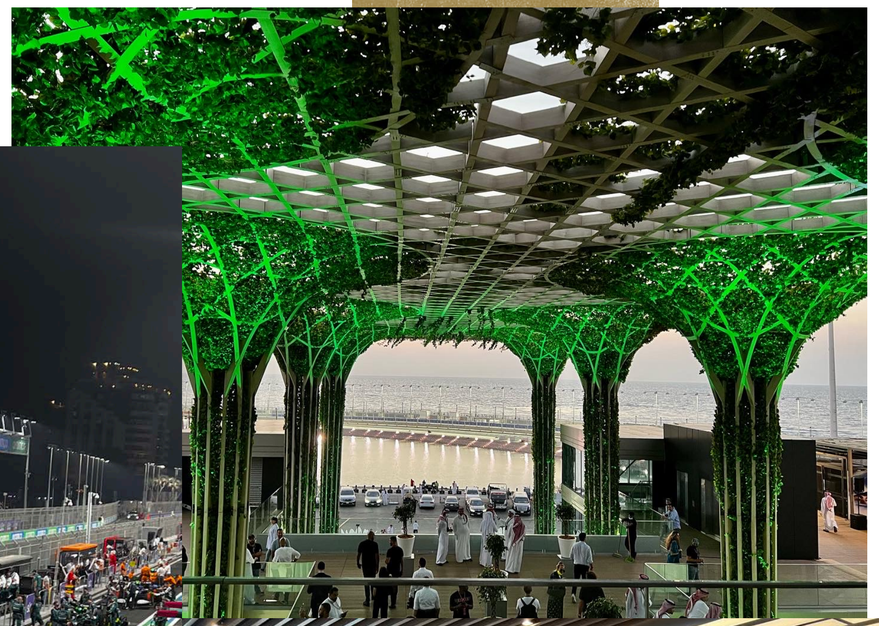
PADDOCK CLUB'S UNIQUE POINT OF VIEW

Paddock Club puts you right in the heart of F1. Just metres above the pit lane, feeling the roar and rumble as the cars emerge from their team garages, smelling the tyres and hearing the shouts of the teams. Only the drivers themselves get closer to the action.

You'll take your seat opposite the start and finishing straight, getting a totally unique view of the circuit from its most crucial point.
You'll hear from the drivers as they're interviewed, virtually live from the F1 Paddock. The best seats in the house.

The Paddock Club in Saudi Arabia overlooks the lagoon and the Red sea as well as the race track.





PIT LANE WALK

Get onto the pit lane to get up close and personal with the cars and teams just hours before they start racing. It's a unique chance to see the team's garage crew and engineers making last millisecond changes

TROPHIES PHOTO EXPERIENCE

This is a new and unique opportunity to take a photo with the world-famous Drivers' and Constructors' Championship trophies.

TRACK TOUR

Between race sessions, you and your guests will have the chance to take a tour of the track yourselves. Enjoy a full lap of the track on the back of an open-top truck (slightly slower than an F1 car), while an Expert Host guides you through every twist and turn.

SOMETHING FOR EVERYBODY

Take a walk around the Paddock Club and the rest of the circuit between racing sessions. Jump into a race simulator and challenge your guests head to head and discover if you have the reflexes to be an F1 driver (most don't).

A weekend at Paddock Club is an unforgettable experience for both F1 fans and the uninitiated. It's a unique and legendary place to experience the race weekend. And it's as close to the action as you can get without actually joining an F1 team.
